

## **Recommended List of School Supplies**

Mrs. Renaud/2<sup>nd</sup> grade

Dear Families,

The following is a list of suggested items for the classroom. It is a good idea to collect them prior to the start of school, so that children can bring them on the first day. Items that are **bold-face** will be for the classroom community, and \*starred items are for individual student use. In our classroom, we are so fortunate to have a writing center with a supply bin for each student. Some of the individual items will be placed here for easy access.

\*\*\*\*\*It would be so helpful if the shared items could be brought to school in a plastic or paper bag separate from a backpack.
