

MRS. Z.'S BACK TO SCHOOL WISH LIST

Dear Parents,

I would like to suggest some items for students to bring from home to expedite their transition into Grade 1. The following items are required. I am requesting that each student bring:

two (two sided) plastic pocket folders for homework./home-school communications

three number 2 pencils,

one 9" by 12" clipboard with name on back

a small box of crayons (primary colors)

two 1 ½"- 2" three ring binder for writing/poetry journals

four glue sticks

1 box of washable Crayola brand magic markers

2 small bags of Crayola modeling clay

1 large box of Kleenex

1 roll of paper towels

individual water bottles

a back pack or school bag with student's name clearly marked

Please note that we have a bathroom/sink located in our classroom. September days are lovely but also quite warm. I advise that students bring a small water bottle for classroom use. They will be allowed time to refill their bottles.

Thanks for your support.

Mrs. Z.
